

Poison Ivy Natural Remedies

with Jen Dalke, Herbalist

\$15 covers all!
Thursday
June 28th
6-7pm

NATURAL REMEDIES THAT WORK!

We'll discuss poison ivy IDENTIFICATION and the natural ways to PREVENT this gnarly rash. Learn how to TREAT and TAME it if it should have you in its grip.

We'll also be making one of the most basic/effective remedies and each participant will take their own test batch home!!!

Seating is limited. Register early in-store or by calling 724-942-5800.

Visit BlueHeronNatureSkills.com also for tickets.

Jen Dalke has studied herbal medicine both independently and formally for over 15 years. She healed her own body of allergies at a young age and now enjoys life to the fullest. She loves to share the many ways she has found to bring about healing and how simple it is to achieve these results ... naturally!
